 [LinkedIn: Abhisek Prusty](#)

Professional Summary:

Results-driven iOS Developer with 4+ years of experience in designing, developing, and optimizing mobile applications. Proficient in Swift, UIKit, and Storyboard with expertise in app lifecycle management, UI/UX design, and Apple's ecosystem. Skilled in developing high-performance, scalable, and user-centric applications. Adept at working with cross-functional teams, implementing third-party integrations, and ensuring code quality. Passionate about staying up to date with emerging iOS technologies.

Education:

- **B.Tech in Computer Science & Engineering** – Government College of Engineering, Keonjhar, Odisha (2017-2020)
- **Diploma in Information Technology** – SKDAV Government Polytechnic, Rourkela, Odisha (2014-2017)
- **10th Grade** – Sarawati Sishu Mandir, Khatiguda, Odisha (2013-2014)

Work Experience:

iOS Developer – Cybrain Software Solutions Pvt. Ltd., Chandigarh

Nov 2020 – Present

- Designed, developed, and deployed user-friendly iOS applications aligned with business objectives.
- Collaborated with UI/UX designers and backend developers to create seamless mobile experiences.
- Integrated RESTful APIs, Firebase, Google Maps, and payment gateways for enhanced app functionality.
- Conducted unit testing and debugging to optimize app performance and resolve bugs.
- Applied memory management techniques to improve app speed and responsiveness.
- Ensured App Store compliance and managed app releases via App Store Connect and TestFlight.

Technical Skills:

- **Programming Languages:** Swift Programming
- **Frameworks & Libraries:** UIKit, CoreData, CoreAnimation, AVFoundation, CoreLocation
- **UI/UX Development:** Storyboard, Auto Layout, Adaptive UI, Custom Animations
- **Architecture & Design Patterns:** MVC, MVVM, Singleton, Protocol-Oriented Programming

- **Databases & Storage:** CoreData, UserDefaults, Keychain
- **Networking & API Integration:** URLSession, Alamofire, RESTful APIs, JSON Parsing
- **Version Control & CI/CD:** Git, GitHub, GitLab
- **Third-Party Services:** Firebase, Google Maps, Social Media SDKs
- **Testing & Debugging:** XCTest, XCUITest, Instruments, Memory & Performance Profiling
- **App Deployment & Distribution:** App Store Connect, TestFlight
- **Push Notifications:** Firebase Cloud Messaging (FCM), APNs

Key Projects:

1. Smartboard Meeting Application

 [App Store Link](#)

- Developed a real-time collaboration app featuring whiteboarding, screen sharing, and document collaboration.
- Integrated WebRTC for video conferencing and Firebase for live data synchronization.
- Implemented MVVM architecture to ensure maintainability and scalability.

2. DSOI Panchkula Club Management App

 [App Store Link](#)

- Built an event booking and membership management app with Firebase real-time updates and MapKit integration.
- Utilized Alamofire for seamless API communication and Coordinator Pattern for smooth navigation.

3. SmartGov

 [App Store Link](#)

- Developed a government services mobile app using Swift, UIKit, and RESTful APIs for real-time data processing.
- Integrated secure authentication methods and optimized background processes.

4. Cyber School Manager

 [App Store Link](#)

- Created and maintained a school management system with real-time attendance tracking, fee management, and reporting.
- Integrated Firebase push notifications and CoreData for offline data storage.
- Implemented OAuth and biometric authentication for enhanced security.

Core Competencies & Soft Skills:

- ✓ Strong problem-solving & debugging skills
- ✓ Excellent communication & teamwork abilities
- ✓ Ability to handle multiple tasks and meet deadlines
- ✓ Quick learner, adaptable to new technologies
- ✓ Passion for writing clean, maintainable, and efficient code

Certifications & Training:

- **iOS App Development Certification** – Udemy
- **Advanced Swift Programming** – LinkedIn Learning

Personal Information:

 Date of Birth: 10 June 1999
 Nationality: Indian
 Address: Mayurbhanj, Odisha, India

Declaration: I hereby declare that the information provided above is true to the best of my knowledge.
