WORK EXPERIENCE

EDUCATION

B.Tech in Computer Scince

Tula's Institute • Dehradun • GPA: 7

CERTIFICATIONS

Machine Learning • 05/2024 - Present

R programing • 05/2024 - 08/2024
NPTEL

PROJECTS

Image Caption Generator Project in Python • 08/2023 - 09/2024

Designed and created an 2 applications to analyze images and convert to natural language (English) descriptions
Utilized deep learning techniques to implement a convolutional neural network (CNN) with recurrent neural network (LSTM) to build the image caption generator
Created application in Python using

Data Insights using power BI • 02/2024 - 04/2024

SKILLS

- Stock & Crypto Analytis, Cricket
