

ATUL KUMAR RAJAK

Computer Science & Engineering

Place: Kharagpur, WB | Mob: +91-9883375430 | Email: atulkumar.coderguys@gmail.com | [LinkedIn](#) | [Github](#) | [HackerRank](#) | [Code360](#)

Summary: Computer Science fresher with proficiency in Python, Web, and Android development, and a commitment to delivering high-quality, scalable software solutions.

Technical Skills:

- Python
- JavaScript
- Java
- Kotlin
- ReactJS
- SQL
- Web Development
- Android Development
- Git & Github
- Postman & APIs

ACADEMIC QUALIFICATIONS

- Bachelor of Technology – Computer Science | CUTM Bhubaneswar | 2022 - 26 | CGPA 8.98/10
- Class XII (CBSE) | KV IIT Kharagpur | 2021 - 22 | Aggregate: 83.6%
- Class X (CBSE) | KV IIT Kharagpur | 2019 - 20 | Aggregate – 84.4%

LIVE PROJECTS & INDUSTRY INTERACTIONS

FLICKSPHERE | Movie Suggestion Application | Aug 2024

- Developed and deployed Flicksphere, a Movie Suggestion Application using **ReactJS**, showcasing skills in frontend development.
- Leveraged ReactJS for dynamic user interfaces and component-based architecture.

EVARA | E-commerce Web Application | Apr 2024

- Developed e-commerce website using **JavaScript**, implementing user authentication and product browsing.
- Enhanced user experience with advanced shopping cart functionality, wishlist, and product comparison features.

AMAZON | Clone Project | Feb 2024

- Created an **Amazon** website clone to improve front-end development and UI design skills.
- Applied **HTML**, **CSS**, and **JavaScript** for responsive, user-friendly interface design.

2048 Game Application | Nov 2023

- Developed **Python**-based "2048" puzzle game using core **Python** and **Tkinter**, demonstrating proficiency in programming and game design.
- Implemented efficient algorithms for tile movement, collision detection, and scoring, enhancing gameplay and user experience.

ACADEMICS ACHIEVEMENTS

- Postman API Fundamentals Student Expert | Postman | 2024.
- SQL Basic | HackerRank | 2024.
- ReactJS | Scaler Academy | 2024.
- AWS Academy Cloud Foundations | AWS Academy | 2024.
- Data Structures & Algorithms with Python | Coding Ninjas | 2023.

POSITIONS OF RESPONSIBILITIES

Coordinator | Avalanche Bootcamp & Hackathon | 2024

Organized a successful four-day Avalanche Bootcamp and Hackathon with 250+ participants across diverse fields like Blockchain, AI, and Cybersecurity.

EXTRA CURRICULAR ACTIVITIES

- Kshitij | Techno Management Fest | 2024
Attended Kshitij 2024, a leading techno-management festival by IIT Kharagpur. Explored technological and management concepts through workshops, competitions, and seminars.
- Global Entrepreneurship Summit | GES IIT Kharagpur | 2023
Participated in the Global Entrepreneurship Summit (GES) 2023 at IIT Kharagpur, a leading event for entrepreneurship and innovation.
- Runner Up in Inter School Volleyball Competition | KV IIT Kharagpur | 2020
Achieved Runner-Up position in the Inter School Volleyball Competition at KV IIT Kharagpur in 2020, demonstrating teamwork and competitive spirit.
