DIVITI SAI ROHITHA

Rajahmundry

Education

Aditya College Of Engineering And Technology

Oct 2022 – Jun 2026

Bachelor of Technology in Computer Science

8.09 CGPA

Relevant Coursework

- Data Structures
- Database Management
- Internet Technology
- Computer Architecture

- Algorithms
- Artificial Intelligence
- Systems Programming
- Software Engineering

Experience

Logojech Technologies Private Limited (Onsite)

May 2025 - Present

SDE Intern

- Worked as an SDE Intern, contributing to real-life projects involving Machine Learning, web development, and mobile applications.
- Implemented ML models using Python to analyze datasets and generate meaningful insights, improving project accuracy and decision-making
- Developed responsive applications using React Native and PHP, focusing on performance optimization and seamless user interaction.

Projects

Netflix Clone | HTML, CSS, JavaScript

Dec 2023

- Developed a Netflix-style app with authentication, video streaming, and recommendations.
- Implemented CDN integration for optimized streaming performance.
- Built a recommendation system with collaborative filtering.

Sentiment Analysis | Python, Jupyter Notebook

Jun 2024

- Built a text classification pipeline using Naive Bayes, SVM, and RNN models.
- Performed NLP preprocessing to improve accuracy and efficiency.
- Implemented metrics and performance monitoring for evaluation.

Number Guessing Game | Python

May 2023

- Designed an interactive CLI game with random number generation and difficulty levels.
- Demonstrated problem-solving using loops, conditions, and scoring logic.

Restaurant Menu App | MERN Stack (MongoDB, Express, React, Node.js)

Jul 2024

- Built a full-stack restaurant menu app with CRUD operations for items and categories.
- Implemented RESTful APIs for backend data management and user interactions.
- Designed responsive frontend in React with dynamic search and filter features.
- Deployed app on cloud with integrated authentication and role-based access.

Technical Skills

Skills: Python, UI/UX, C, Java, HTML, CSS, JavaScript, Bootstrap, React Native, SQL, PHP, Machine Learning

Developer Tools: VS Code, Eclipse, Google Cloud, Android Studio, MySQL, Weka, GitHub

Technologies/Frameworks: Linux, Jenkins, MERN Stack (MongoDB, Express, React, Node.js)

Certifications

Programming Essentials in C – C++ Institute

Jan 2023

Python Essentials – Python Institute

Apr 2023

Cybersecurity – Cisco Networking Academy

Apr 2023

HTML & CSS – Information Technology Specialist

May 2023

Data Science - Cisco Networking Academy

May 2023
