B.Tech in Computer Science Engineering

2022 – Present

Kumaraguru College of Technology

SGPA: 8.0

SP Smart School Sarore

2021 – 2022

GPA: 9.4

Lord Shiva High School Mawa

2019 – 2020

GPA: 8.7

Projects

Eco Sync (Smart Bin Management System)

Developed a smart bin monitoring system to reduce time gaps and boost waste management efficiency.

Responsive Restaurant Website

Designed and built a responsive, visually appealing restaurant site using HTML, CSS, and JavaScript.

Ecommerce Platform

Created a secure, fully functional ecommerce platform using Django, enabling product listing, payments, and responsive UI.

Health Care Application

Built a Django-based app for appointment booking, doctor profile viewing, and medicine ordering — improving accessibility and reducing hospital crowding.

Online Book Store (MERN Stack)

Developed a feature-rich online bookstore with React, Node.js, MongoDB, and Express.js.

Max1motors Vehicle Dealership Platform

Built a Ruby on Rails web application for an online vehicle dealership with inventory and user management features.
