SUMMARY

Software and Web Developer with a Bachelor's degree (GPA 92.12%), experienced in React and TypeScript through professional and personal projects, alongside C#/.NET via academic full-stack work. Contributed to an Agile team focused on frontend development. Developer on the winning Summer of Tech 2023 hackathon team (www.dontdrown.site). Motivated to learn and grow in software engineering roles.

HARD SKILLS

- ✓ React, TypeScript, MUI - strong hands-on experience from internship and projects.
- ✓ C#, .NET, Entity Framework Core, ASP.NET Core, Azure Functions, SQL Server, T-SQL, Stored Procedures (academic full-stack projects).
- ✓ Restful APIs (academic projects).
- ✓ Azure DevOps (familiar with CI/CD pipelines).
- ✓ JavaScript, HTML5, CSS, Bootstrap (academic assignment).
- ✓ Swift, Java (mobile app basics).
- ✓ Python (academic assignment).

SOFT SKILLS

- ✓ Critical thinking and problem-solving.
- ✓ Leadership (led team academic projects, task planning).
- ✓ Communication and teamwork.
- ✓ Fast learning and adaptability.

WORK EXPERIENCE

03/2025 – 03/2025   Software Engineer, Rights Institute initiative, Auckland.

Technologies: React, TypeScript, MUI, Vite, Git.

- ✓ Creating a front-end web application based on client requirements.
- ✓ Code integration with Git.

08/2024 – 11/2024   Software Engineer (Graduation Project), First Aid NZ Ltd, Auckland.

Technologies: React, TypeScript, MUI, Express, Node.js, Git.

- ✓ Creating a full-stack web application based on client requirements.
- ✓ Developing a backend with a content management system on a local server for client-side use.
- ✓ Code integration with Git.

11/2023 – 02/2024   Software Engineer Intern, Serko Ltd, Auckland

Technologies: React, TypeScript, CI/CD Pipelines (Azure), Git, C#, .NET, Jest, MUI.

- ✓ Improving an existing full-stack project based on user feedback, with a focus on frontend

development within an agile (Scrum) team, including tasks such as implementing search and date filters, among others.
- ✓ Participating in code reviews to identify and resolve defects, improve code.
- ✓ Performing automated unit testing (Jest).
- ✓ DevOps using Azure and CI/CD pipelines, and Git.

2022 – 08/2023   Web Designer, self-employed, Auckland.

- ✓ Creating and maintaining the website www.iraart.art.

2015 – 08/2023   Freelance Graphic Designer, Artist, Auckland.

- ✓ Commissioned works.

Up to 2012   Marketing roles such as Brand Manager and Marketing Analyst, Ukraine.

PROJECTS   my projects: github.com/IraPaniukova

- ✓ fruitfull.info   Technologies: C#, ASP.NET Core, Entity Framework Core, xUnit, React, TypeScript, MUI 7, Redux, SignalR, Vite, Git. Deployed on Azure Free Tier (SQL Database, App Service, Static Web App).
- ✓ www.rights.nz   Technologies: React, TypeScript, MUI 7, Vite, Git, Jest. Includes a user-interactive test that calculates results based on answers, with multiple pages and navigation. Deployed on Vercel.
- ✓ firstaid-nz.vercel.app   Technologies: React, TypeScript, MUI, Git. Includes a React frontend with a backend for client-only content management. Deployed on Vercel.
- ✓ country-guru.vercel.app   Technologies: React, TypeScript, MUI, Git. Integrates public RESTful APIs and OpenAI for interactive data display with two user-selectable modes.
- ✓ cake-it-bee.vercel.app   HTML5, CSS, Bootstrap, JavaScript, Canvas (for animations).

Additional projects demonstrating C#, .NET, SQL Server, ASP.NET (MVC/API), Azure Functions, EF Core, Swift, Java, and other technologies are available on my GitHub.

EDUCATION

04/2025 – present   **Microsoft Student Accelerator programme**. Software Development.

07/2022 – 05/2025   **Bachelor of Digital Technologies** with a major in Software and Web Development, Manukau Institute of Technology (MIT).

Top of class in Full-Stack Web Development (97.50), Front-End Web Development (93.75), UX/UI Design (Android Mobile) (94.00), Applied Software Testing (93.10), Mobile Application Development (Swift) (91.00), Cloud Computing for Software Developers (91.00).

05/2021 – 05/2023   **New Zealand Diploma** in Information Technology Technical Support (Level 5), Manukau Institute of Technology (MIT).

VOLUNTEER EXPERIENCE

2019 – present   Volunteer work as an FB group administrator for Ukrainian community in NZ.

2022 – present   Volunteer work for a charity, helping to maintain the website mahiforukraine.com.

HOBBIES

Billiards, painting, drawing, solving puzzles, Midjourney cats.
